

What If Kamala Won the Presidency

If Kamala became president, there would be little or no changes to Biden's policies. Kamala said it herself on Oprah – "she wouldn't have changed anything". The worst administration in our lifetime! We would not recognize our country in 4 years and China would be the world leader. Thank God for TRUMP! This page is limited to 1 page because you can view Biden's record and see the disastrous policies.

- The Truth About Biden's Cognitive Issues Would Have Never Been Released
- Financial Collapse of the United States
- Additional 250,000 – 400,000 Deaths from Drug Overdoses
- 10-15 Million Additional Illegals Entering the Country
